Past and Current Performance:

Our business has provided and currently provides both commercial and maintenance services to the following premises:

✚ Australian Federal Police	✚ Department of Health	✚ Department of Human Services
✚ Department of Defence	✚ Department of Finance	✚ Equinox, Deakin
✚ Lakeview Square, Belconnen	✚ Productivity Commission	✚ Murray-Darling Basin Commission

Differentiators:

- ✚ We are leaders in indigenous participation in the plumbing sector.
- ✚ We have a proven track record in providing maintenance plumbing to Government Departments.
- ✚ Our workflow is governed via a web based program and is GPS tracked, allowing contact with our plumbers at all times. This ensures emergency work is actioned immediately and we are able to respond to work on a timely basis. We have the ability to provide clients with real time updates and reports.
- ✚ A team of 15 staff members available to service administrative and plumbing requirements throughout Canberra and its surrounding regions.
- ✚ All plumbers are security cleared.
